

2 God's written word

The Holy Bible

A Books

Think of a famous book by a well known author ...

Or think of your favourite book ...

Book:

Author:

*What's so
special
about it?*

B A Different sort of book

What makes the Holy Bible different than other books?

Think about and discuss the following points ...

What are
the two main parts of
the Bible? What is the
difference between them?

Who wrote
the Bible?

Is everything
in the Bible true?

Why do we
read the Bible?

C A collection of books

Using the contents page of the Bible, look at the list of books it contains.

Look at the different sections. In the circles write how many are there in each section. Then browse through each section and write other brief notes in the spaces below.
