THE LOST SHEEP

Jesus said: Once, there was a shepherd who had 100 sheep. He loved his sheep so much that he gave each one of them a name. He loved them all very dearly and used to call them by their name. Each day he took his sheep to different fields where the sheep could find a lot of green grass to eat. Then he led them to a spring of water to drink clean fresh water. All the time he was very watchful not to let any fox or wolf go near his sheep. In the evening he called his sheep together and led them to their fold. As they came in, he counted them one by one: 1, 2, 3, ... 98, 99, 100. Now he could go to to bed knowing his sheep were all safe.

One evening, something unusual happened. He was counting his sheep: 1,2, ... 97, 98, 99. He counted them again. There were only ninety nine sheep. One of his dear sheep was missing. The good shepherd was really upset! Immediately, he took his shepherd stick and went to look for the lost sheep. He went over the hills and in the valleys calling his lost sheep but he couldn't find her. Now it was getting darker and the shepherd was getting even more worried! He heard a wolf howling in the distance! He quickened his pace even though now he was tired.

All of a sudden he heard: "Baa!". He stopped to listen carefully where the sound was coming from. This surely was his sheep! He ran to where the sound came from, and found his sheep caught in a thorny bush. He bravely and gently picked the sheep from the bush. He put her on his shoulders and carried it to the fold. Now he was really happy! He called his neighbours to celebrate with him because he found his lost sheep.
